

# Kalamunda Primary ESC Newsletter

It was great to see all of our students smiling faces yesterday morning and when I asked who was happy to be back, most of the students said yes.....bar the few, like me who have found it difficult getting out of bed in the mornings!

This term promises to be another busy one with a number of events on the go. I was chatting with the students this morning about the Halloween Disco, the Colour Run, the Music Man incursion, my leave, our final assembly, our Camp, our End of Year Presentations, Year 6 Graduation and of course, Christmas!

I then came back to my office to continue working on our plans for 2018. As a staff we sat down together on Monday to determine our Curriculum priorities and programs. It is our intention to run 6 classroom settings in 2018 in an effort to better meet the broad needs of our k – 6 student population.

I am also keen to simplify our required annual permission information and once complete will send home **2018 information packages**. Included in the pack will be booklists and ordering information through Office Max, permission forms, information books and hopefully (fingers crossed) classroom lists.

As you can see, much of what I am doing this term is in preparedness for next year, which is both good and bad. Good, because I get excited about our new projects, students and plans but bad, because it doesn't always mean I get as much time as I would like to spend enjoying our current students who have all grown and matured so much this year.

Jarna Wright

sponsors now!

Fun and  
Fitness

### School Camp

Mrs B visited the Swan Valley Adventure Camp on the holidays and has the paperwork nearly ready to go. Please keep an eye on students communication files as it is our aim to have all camp and permission information sent home by the end of this week.

### Autism Swim

For those families that have returned permission forms for your child to participate in Autism Specialist Swimming classes this term with Mrs Hose, thanks. Mrs Hose is currently on leave but will be returning next week and we anticipate starting lessons in week 3. Stay tuned for more information.

# Dates to remember
