

Another fortnight has flown by and all of a sudden we find ourselves half way through week 3 of term 2. Tomorrow, most of the students are off to the Razzamatazz show at the Perth Convention and Exhibition Centre courtesy of the Lions Club and the multitude of businesses that have made donations.

Renaming our school

Yesterday I submitted our application to our Regional Executive Director, Mrs Sue Cuneo who has supported our request and forwarded to Central Office. It is now a waiting game, but fingers crossed we will get permission to officially change our name to *Kalamunda Primary Education Support Campus*.

DARE TO BE A HERO

Wednesday 3rd May 2017

We raised over \$600.00 for the Perth Children's Hospital Foundation. Many thanks to everyone who dressed up and made a donation. It was a brilliant day!

Mothers Day Stall

Reminder to all families that the P&C are hosting their annual Mothers Day stall this Friday. Students can purchase gifts for either \$2 or \$5 and can return at lunchtime to buy extra gifts for Nana's and other female family members if so desired.

Semester 1 Student Documented Plans (DP's) and School Report

This semester for the first time, we will be emailing Student Reports, rather than printing and sending home with students. Families will be emailed a unique link that will allow you access to your child's electronic report. Therefore it is extremely important that we have your current email address on record.

Protective Behaviours with Holly Ann REMINDER

Holly Ann is back in with us on **Tuesday the 16th May** and we are keen for her to sit down with our Area 4 families to discuss technology and Protective Behaviours.

Please confirm your attendance at her 4.00—5.00pm session by this Friday?

New building is nearly ready!

Many thanks to the *Quinten Curry Tribute* as part of the Australian Communities Foundation who have donated \$5000.00 towards our new building. We are currently organizing new flooring, blinds, security and signage and then we will be ready to move in.

As you can see, it is looking good but definitely needs to be brightened up!

From this point forward it will be known as the **"STaR SPACE"**.
