

Who can believe this is Winter? We had our Cross Country Carnival yesterday with what can only be described as magnificent Winter weather. I think this weather is lulling us into a false sense of security, as I think once Winter really hits it will do so with a vengeance, and we all know how cold it can get up here in the Hills.

Thankyou to all families that have been keeping their children home when unwell, I think we have turned a corner as we only had a couple of students out sick yesterday and no staff! Fingers crossed we can keep the bugs at bay for a little longer.

Thanks in advance

School Uniforms

A reminder to all families that students **MUST** be in school uniform each day. This means they must be in their school t-shirt, navy pants/shorts/skirt and the school baseball jacket or coat. If you do not have the jacket or coat, please ensure you secure one ASAP as Mr Bates, Mr Williams and I are cracking down on all students across both schools, who are not in uniform. Attached is a gorgeous photo of Ella and Andrew happily modelling our uniform for your reference.

Edudance

For those students whom staff have identified as being able to:

- Follow the instructions of the instructor
- Participate fully without distracting others
- Engage in the routines to the best of their ability
- Demonstrate appropriate behaviour and follow the instructors rules

will be sent a permission form via email.

Please note that if you are a parent of a child in Mrs Brooks class, she would like all students to have a go at the first session before making a recommendation for the remainder of the lessons. Mrs Brooks is doing this as it is quite a large jump in expectations and skill from the Kindergarten to the Pre Primary program.

Thurs 20th July	Edudance starts
Tues 25th July	Year 5 family meeting to discuss High School Options for 2018
Thurs 3rd August	NAIDOC DAY celebrations

The Music Man

As most of you are aware, we have had to postpone the Music Man's visit twice due to illness. For a change, the illness is not ours! Instead, the Music Man, who carts around nearly 60 handmade instruments to schools each visit has hurt his back. Mrs Cecich is chatting with him regularly as we are still keen to have him visit, but we do have to wait and see how his back holds up! Stay tuned for more information.

Classroom signage

For those of you in and around school, you will notice that we have new signage on our doors. We are using the images we had designed last year to brighten up our school and make finding our classrooms easier. Stick your head in and take a look, they look brilliant!

These are our sporty Kalamunda Kids in their faction colours. Pity we don't have any running!

Cross Country

Congratulations to all students who ran Cross Country today, even those who didn't want to gave it a great go. We are super proud of our athletes and want to congratulate **CONNELLY** on another great win! For those of you who don't know what faction colour Connelly is, it is **GOLD!**
