

# Kalamunda Primary ESC Newsletter

Another week finished and all of a sudden we are nearing the end of swimming lessons! After a bumpy start and some teething problems, the majority of our students have participated in swimming lessons and for some, will successfully pass their stage. I noticed the swimming teachers testing students today, which I am sure will continue tomorrow and Friday is always about fun and celebration. I may have students Swimming Certificates for them on Friday afternoon, but if not, will present them to students in classes on Monday. Next year, we will participate as a separate school to KPS and request lessons later in the year, warmer water and smaller groups. Stay tuned

Jarna Wright  
Principal

## 2017 Parent Opinion Survey

I have emailed and 'Skoolbagged' families today requesting that our 2017 families take a moment to complete our Parent Opinion Survey. The link is:

<https://www.schoolsurvey.edu.au/s/Kalamunda2017>

and the code is: p87eLRnx

Thanks in advance 😊

We have designated **Kiss and Ride** bays in the front of our school that are not been used correctly. These bays are specifically for parents to “drop and run” but we are finding that some parents are parking and coming in to collect students. If you are going to park, please use the back carpark or the bays that run along along East Terrace.

**Please ensure that  
you return your child's  
consent forms ASAP!**

Copy attached for those that need another
